ESTABLISHED 1999 · PAMUKKALE, DENİZLİ

# Who We Are

## A start-up mindset, since 1999

Reel Ofset was founded to turn original ideas into reality and to set the quality standard in labelling and packaging — a promise we have delivered on since 1999.

## Original & quality, end to end

We build every project on original design, high quality, and fast, reliable service — with a team that never compromises on detail or customer satisfaction.

## Production with experience

From an integrated facility in Denizli, our experienced team adapts to evolving technology to supply the label, print and packaging needs of global brands.

## CAPABILITIES

# What We Do

---

## Textile Labels

---

Woven brand & neck labels, printed care/size/composition labels, and narrow-woven tapes — produced on OEKO-TEX certified materials.

## Printing

---

High-volume flexographic roll labels and premium offset hang tags, cards and folding cartons — CMYK + Pantone accuracy.

## Packaging

---

Printed food and cosmetic packaging boxes — shelf-ready, with premium finishes and FSC-certified stock on request.

PRODUCT RANGE

# Our Products

---

## Woven Labels

Jacquard woven brand & neck labels with a premium, durable, textured finish.

## Printed Fabric Labels

Care, size and composition labels — fine detail and multilingual content.

## Narrow Woven Tapes

Ribbons, edge tapes, hanger loops and mixed narrow-woven trims.

## Flexographic Printing

High-volume roll & self-adhesive labels and film, with barcodes / QR.

## Offset Printing

Premium paper hang tags, cards and folding cartons with fine detail.

## Food Packaging

Printed, shelf-ready food boxes — FSC-certified stock available.

## Health & Beauty

Premium cosmetic packaging with foil, emboss and spot UV finishes.

SUSTAINABILITY & QUALITY

# Certified, Responsible Production

## FSC® Chain of Custody

Paper and cardboard from responsibly managed forests, tracked from forest to finished product. FSC-certified stock available for hang tags and paper packaging.

INT-COC-007337 · FSC® A000539

## OEKO-TEX® STANDARD 100

Textile materials tested against a long list of harmful substances — safe for direct skin contact, ideal for neck and care labels.

10.HTR.77435 · Hohenstein

Note: Reel Ofset holds FSC and OEKO-TEX certifications only. We do not claim other certifications.
